

St George's College

WEYBRIDGE

Maths Quest: Spring Term Puzzle Number 1

Please e-mail Mr Hudson with your solutions by **Friday 20 April 2018** and don't forget to include your name and your school's name.

Below are some fractions. Choose as many, or as few, as you want and add them up. You can only choose a fraction once.

$$\frac{1}{6} \quad \frac{1}{25} \quad \frac{3}{5} \quad \frac{3}{20} \quad \frac{4}{15} \quad \frac{5}{8}$$

1. Can you get to 1?
2. If not, what is the closest to 1 you can get?

ajhudson@stgeorgesweybridge.com

All correct entries will be displayed on the St George's Weybridge website.
